Perfect for banqueting or fine dining, each item carries its own unique, but sympathetic version of the embossment, adding an air of individuality, sophistication and surprise.

The curves and lines move across the piece, creating highlights and shadows, accentuating the form and inviting the user to explore its tactile surface.

# Opera™

The Opera collection of presentation bowls draw their inspiration from the iconic Sydney Opera House in Australia. Designed in 1957 by Jørn Utzon and completed in 1973, the Sydney Opera House is one of the most architecturally important buildings of the 20th Century.

Opera bowls feature symmetrical but opposing curves to create a fascinating interplay of surfaces, which draw the eye to the food and excite the palate. Suitable for appetisers, entrées and desserts, Opera bowls offer an innovative, elliptical alternative to food presentation.

natural inspired warmth

# Craft™

Craft is inspired by hand-crafted, simple country wares made by generations of potters over hundreds of years. The range embodies the beauty of rich, lustrous glazes applied by hand, and celebrates chance effects and reactions which occur naturally in the kiln.

The gem-like glazes married to simple forms and shapes produce a unique and individual appearance, giving Craft a rustic "joie de vivre".

Craft the original and arguably the best.

# Terramesa™

## NEW ADDITIONS

The Terramesa range is full of colour and rustic style, and as the name suggests, it has been designed to be both natural and earthy.

Whether it's Mexican food with its hot and vibrant colours, Spanish tapas or Asian food, Terramesa offers an exceptional range of shapes and sizes to complement the colours and ingredients present in these types of cuisine.

With the growing trend for artisan inspired hand crafted ranges Terramesa gives your tabletop that wow factor. Decorated in four complementary shades and hand-finished with a textured reactive glaze on the edge, Terramesa looks stunning when colours are mixed or used independently.

## NEW RANGE

The Art Glaze range from Royal Crown Derby constitutes an upmarket artisan aesthetic allied to the purity and whiteness of fine bone china. # Sonata™

## NEW ADDITIONS

Design by Rene Ozorio, the Sonata collection's embossment is a delicate note which complements the strong direction of the shapes. A welcome departure from the formal "nouvelle" and "fusion" cuisine of the past, Sonata's sophisticated embossment of radiant lines centers the visual focus on the well of each plate and bowl, placing emphasis on the cuisine being served.

multiple  
creative  
combinations

# Aura Squares™

Divided into three categories: trays, plates and bowls with varying proportions, this collection creates a new tablescape. The pieces lend themselves to composition, layering and contrasting of forms and the smaller foot on the pieces adds a more delicate touch to the conventional straight sided walls. A simple concept with multiple combinations to challenge how we see and eat, this range is perfect for modern Asian and Western cuisine.

# Aura Sushi™

Smaller portions draw attention to the size and shape of the pieces. This is indicative of what is called 'Young Cuisine' – smaller portions presented together to build a series of taste experiences – sometimes complementary, sometimes contrasting.

# Duo™

Building a series of "taste experiences".

Inspired designs in shape and form that stimulate the senses of sight and touch, Duo brings an architectural delight to tabletop presentation. Strong lines combine with subtle curves to create a distinctive setting.

With the addition of Duo, Rene Ozorio introduces a new collection of perfectly sized individual bowls and casseroles that are designed to bring the smallness of the portion to a sharp focus. The idea of building a series of "taste experiences" that are sometimes complementary and other times contrasting is what inspired Rene to develop Gourmet Duo. Mini casseroles with snug fitting lids, presentation and boat bowls provide unique vessels for gourmet tastings filled with gastronomic delights.

## MELAMINE

Steelite International has further developed its Selected for You offer of sourced products to bring exciting ranges of premium melamine displayware and dinnerware to the market. Responding to growing demand in the hospitality and retail markets for innovative display solutions Steelite International work with Southern Californian based partner company Elite Global Solutions to provide a stunning collection of outstanding quality melamine pieces.

Our Creations collections of products, available in various materials, from melamine to wood are designed by Steelite designers exclusively for Steelite International. These exclusive items can be identified by the Creations backstamp which also identifies the origin source.

To extend our melamine offering under our Creations brand we've taken inspiration and qualities from our popular ceramic shapes to develop new melamine ranges that are ideal displayware solutions for buffet and counter serve environments. The development of these exciting new ranges further enhances our commitment to offering excellent quality products that can fulfil the gaps that ceramic products cannot.

All our melamine dinnerware products are NSF & SGS approved chip and stain resistant, dishwasher safe and made to handle both hot and cold food. The displayware is used in many of the world's forward-thinking hotels, restaurants, food service operators, supermarkets and caterers to enhance their offer and customer experience. Our dinnerware collection gives added flexibility to operators who work within challenging service environments and struggle to find the perfect solution for their needs.
